DCD-1650AR CD Player pdf manual download Denon Dcd 1560Denon Dcd 1800Denon Dcd S10Up for your consideration is a DENON DCD-1650AR Cd Player.. It has a Telefunken tube upgrade as well Denon Dcd 1800File defamation of character.. Denon Dcd S10I'd be using an inexpensive Denon DVD-1500 for now and upgrade this transport later on.. These players don't show up very often on the used market for resale Because their that good.. Boead, I can answer some of your questions CAL is no more It was bought by Sonic Blue who no longer supports CAL's older products.. Stock its \$450, modified its closer to \$750 I also looked at the Denon DVD-2200 (I can get it for \$325, its \$600 list) and the Denon DCD-1650AR CD Player (I can get for \$500, list for \$950).. Built like a tank with a very smooth analog sound reproduction Using DENON'S ' Alpha Processing D/A Converters.. I'm rating this player an 8/10 to be very conservative Comes from the original owner with factory remote, Printed copy of the owners manual and power cord.

\*\*\* Thank You! I'm looking for information on a California Audio Labs (CAL) Sigma II DAC with a 24/96 upgrade.. Lastly I was looking at the Jolida at about \$750 Using the CAL Sigma with my current cheap transport what kind of characteristics can I expect? How does it compare to a Music Hall or similar? Then, with a better transport, what can I expect to gain? What level of quality in a transport do I need to complement a DAC like this? Finally, at what price point does it become pointless? CAL + Transport = \$750 Jolida stand-alone = \$750.. \*\*\* No Trades \*\*\* If using Paypal a 3% Paypal fee will be added at the end of the final sale.. (\$450 used) What happed to CAL? Can't find them on them web I want details on its construction, not much available.. \*\*\* Please buy with confidence from a trusted long time Audiogon member with perfect feedback.. I was in the market for a new CD Player under \$600 I looked at the Music Hall CD-25 and was fairly impressed with its reviews stock and very impressed with it modified.
