A screenshot of the FreeFileSync software interface. The window title is "C:\Sample files\Backup Work.fff_gui". The interface shows a "Compare" view between two folders: "C:\Users\Zenu\Deskto\Work" and "E:\Backup\Backup". A large green circular arrow icon is overlaid in the center. The "Overview" panel on the left shows a tree view of folders: Tools (2,408 items, 403 MB), Music (10 items, 76.3 MB), Files (9 items, 2.95 MB), and old (2 items, 1.45 MB). The main window displays a list of files with columns for "Relative path" and "Size". The "Statistics" panel at the bottom right shows "0 0 0 479 MB 2.423 3 3". A watermark "www.saifpc.com" is visible in the top right, and "FreeFileSync" is written in large green letters across the center. Below it, the text "Folder Comparison and Synchronization" is visible in a lighter font.
